Reimagine Life
between Four Walls

Zee Jayashree

Set in flourishing Vile Parle (E), Zee Jayashree is spread across six floors, this tower offers 1, 2 and 3 BHK apartments which are well-planned and suited to your needs. Every home is distinct in its own way, and every facility is provided so that your comfort comes first.

Built with style and state-of-the-art technology, every home gives you the best of living in the bustling city, while also giving you the comfort of your own corner. They say dreams are made in heaven, but when you visit Zee Jayashree, you'll see that dreams can also be made in cement and stone.

LIVING ROOM

Being the first room that you'll walk through as you enter your home, we took special care in designing the living areas.

Spacious enough to accommodate your taste in art, entertainment and social tastes but welcoming to make you feel you're at home, from the moment you enter.

When the welcome is this good, who'd want to leave?

A view overlooking the city, a cool breeze and warm sunshine – wouldn't that be just perfect? If you like the sound of that, we're sure you'll love our bedrooms.

Large enough to accommodate a double-sized bed and with room to spare, our bedrooms are carefully planned to ensure you get the privacy you need, while also fitting in perfectly with the rest of the house plan.

When everything around you is just right, sweet dreams come easily.

BEDROOM

Designed with an attention to detail, our bathrooms are a welcome surprise to an otherwise overlooked part of a house plan.

A luxurious finish and ample space are reasons for a longer bathroom break, while the practical design and expertly chosen interiors elevate the bathroom experience.

So, sink in!
